# **Restated Bylaws of Jump River Electric Cooperative, Inc.**

## **Aims**

The aims of the Cooperative are three-fold:

- (a) to make adequate and dependable electric service available to all members and to unserved persons within its service area desiring to become members;
- (b) to render such service without discrimination on a cooperative basis at the lowest cost consistent with sound economy and good management; and
- (c) to fulfill its obligations as a responsible business citizen in furthering the general welfare of the citizens of the community in which it operates.

## **Article I Membership**

Section 1. Requirements for Membership. Any person, firm, association, corporation or body politic or subdivision thereof will become a member of Jump River Electric Cooperative (hereinafter called the "Cooperative") upon receipt of electric service from the Cooperative, provided that he or it has first:

- (a) Made an application for membership in such form as the Board may prescribe;
- (b) Agreed to purchase from the Cooperative electric energy as hereinafter specified;
- (c) Agreed to comply with and be bound by the articles of incorporation and bylaws of the Cooperative and any rules and regulations adopted by the board; and
- (d) Paid the applicable fees hereinafter specified.

Any person who requests service from the Cooperative subject to the conditions applicable to all patrons of the same class of service, upon receipt of such service shall be deemed a member with the same rights and privileges as each other member patron of such class. No member may hold more than one membership in the Cooperative, and no membership in the Cooperative shall be transferable, except as provided in these bylaws. Two or more persons may hold a membership as tenants in common or as joint tenants with right of survivorship in accordance with the terms of their application and any rules of the board of directors applicable thereto. The provisions of Section 3(c) (1), (2), (3), (4), (5), (6), and (7) of this Article shall apply to a membership held by tenants in common, and to a joint membership where the holders thereof are not husband and wife.

Section 2. Intentionally blank.

Section 3. Joint Membership and Membership Held as Tenants In Commons.

- (a) Any application for membership in the Cooperative received from any person who is married shall be deemed and become an application for membership by husband and wife as joint tenant members with right of survivorship unless the person making such application designates in writing.
- (b) With respect to memberships issued prior to October 8, 1971, the membership of any persons who were married, or who thereafter while a member became married, shall be deemed to have become, and did become at such time, a membership in husband and wife as joint tenant members with right of survivorship without further action by such member, unless within 30 days after October 8, 1971, or 30 days after date of marriage, whichever date is later, the person to whom such membership was issued otherwise has designated in writing.
- (c) The term "member" as used in these bylaws shall be deemed to include a husband and wife or other persons who hold a joint tenancy or tenancy in common membership, and any provisions relating to the rights, and liabilities of membership, including without limitation the following, shall apply to such member:
  - (1) The presence at a meeting of either or both shall be regarded as the presence of one member and shall constitute a joint waiver of notice of the meeting.
  - (2) The vote of either separately or both jointly shall constitute one joint vote;
  - (3) A waiver of notice signed by either or both shall constitute a joint waiver;
  - (4) Notice to either shall constitute notice to both;
  - (5) Expulsion of either shall terminate the joint membership;
  - (6) Withdrawal of either shall terminate the joint membership;
  - (7) Either but not both may be elected or appointed as an officer or board member, provided that both meet the qualifications for such office.
- (d) The records of the Cooperative shall show all single, joint, or tenancy in common memberships and the names of all persons holding such membership.
- (e) Upon the death of either spouse, or other person, who is the party to a joint membership, such membership shall be held solely by the survivor and the records of the Cooperative shall be changed to show membership solely in that survivor; provided, however, that the estate of the deceased shall not be released from any debts due the Cooperative.

Section 4. Applicable Fees. Extension of service shall be conditioned on the member completing the application process described in Section 1, above, and

making any meter or guarantee deposit or paying any connection fee which may be required by policy, rule or regulations of general application applicable to the class of service requested.

Section 5. Conversion of Membership. By a written request signed by all persons having an interest therein, a membership in the name of one person, a joint membership, or a membership as tenants in common, may be converted to a membership of another of the three types. Such written request shall contain the agreement by all persons having an interest in a membership involved, to comply with the articles of the incorporation, bylaws and rules and regulations adopted by the board.

Section 6. Purchase of Electric Energy. Each applicant for membership shall as soon as electric energy shall be available, purchase from the Cooperative all electric energy purchased for use on the premises specified in the application for membership, and shall pay for such energy at rates which shall from time to time be fixed by the Board. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which shall be interconnected with the Cooperative facilities, shall be subject to appropriate safety and other regulations as shall be fixed from time to time by the Cooperative. It is expressly understood that amounts paid for electric energy in excess of the cost of service are furnished by members as capital and each member shall be credited with the capital so furnished as provided by these Bylaws. Each member shall pay to the Cooperative such minimum amount regardless of the amount of electric energy consumed as shall be fixed by the Board from time to time. Each member shall also pay all amounts owed by him to the Cooperative as and when the same shall become due and payable.

Section 7. Non-Liability for Debts of the Cooperative. The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Section 8. Termination of Membership.

- (a) Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board may prescribe. Subject to any regulations imposed by lawful authority, the Board may, by the affirmative vote of not less than two-thirds of all members of the Board, expel any member who fails to comply with any of the provisions of the Articles of Incorporation, Bylaws or reasonable rules or regulations adopted by the Board, but only if such member shall have been given written notice by the Cooperative that such failure makes him liable to expulsion and such failure shall have continued for at least ten days after such notice was given. Any expelled member may be reinstated by vote of the Board or by vote of the members at any annual or special meeting. The membership of a member who for a period of six (6)

months after service is available to him has not purchased electric energy from the Cooperative, or of a member who has moved out of the service area or otherwise ceased to purchase energy from the Cooperative, may be cancelled pursuant to procedures established by the Board. The voting rights of a member who requests temporary disconnection of service, shall be suspended during the period service is not received.

- (b) Upon the withdrawal, death, cessation of existence or expulsion of a member, the membership of such member shall thereupon terminate, and the membership certificate of such member shall be cancelled forthwith. Termination of membership in any manner shall not release a member or his estate from any debts due the Cooperative.
- (c) Upon the legal separation or divorce of the holders of a joint membership, or the holders of a membership as tenants in common, such membership shall continue to be held solely by the one who continues to occupy or use the premises covered by such membership, in the same manner and to the same effect as though such membership had never been joint, provided that except for the membership fee, this provision shall not affect the ownership of funds held by the Cooperative in the names of the joint owners, and further provided, that neither joint owner shall be released from debts due the Cooperative arising from the joint ownership.
- (d) In case of withdrawal or termination of membership in any manner, the Cooperative may repay to the member the amount of the membership fee paid by him, provided, however, that the Cooperative shall deduct from the amount of the membership fee the amount of any debts or obligations owed by the member to the Cooperative.

Section 9. Property Interest of Members. Upon dissolution after

- (a) all debts and liabilities of the Cooperative shall have been paid, and
- (b) all capital furnished through patronage shall have been retired as provided in the bylaws, the remaining property and assets of the Cooperative shall be distributed among those persons who are members at the time of dissolution or had been members during the ten calendar years next preceding the date of the filing of the certificate of dissolution, in the proportion that the aggregate patronage of each bears to the total patronage of all members during such ten preceding calendar years, subject to and in accordance with such classification of business formula as may have been employed in allocating patronage capital to such members during the ten year period.

**Article II**  
**Service Principles**

Section 1. Area Coverage Service. The Cooperative holds itself out to serve

and shall make diligent efforts to extend and render adequate and dependable service to all unserved persons within the cooperative service area, regardless of the size or nature of their service requirements, who (a) desire such service and (b) meet all reasonable requirements established by the Cooperative as a condition of service.

Section 2. Service Area Maps. The Cooperative shall from time to time prepare and maintain on file area coverage service maps designating the Cooperative service area within which it holds itself out to extend and render service under (1) of this article.

Section 3. Extension and Service Rules. Extension and service rules of the Cooperative from time to time promulgated by the Board shall be of general and uniform application and shall provide for service without discrimination to all patrons as members within the same classification of service.

Section 4. Service to Non-Member Patrons. In the event the Cooperative shall acquire all or any portion of the property of any public utility former consumers of such public utility served through the property acquired shall be invited to become members of the Cooperative. Should any such consumer refuse to become a member of the Cooperative then the Cooperative may continue to render electric service to such consumer as a patron of the Cooperative, provided; however, that the Cooperative may not render service to non-members in excess of ten percentum of the total patrons served by the Cooperative.

Section 5. Assumption of Public Utility Obligations. Within the corporate limits of any city or village in which the Cooperative may acquire the property of any public utility the board of directors by rule, or agreement with the governing board of such municipality, may cause the Cooperative to become subject therein to all or part of the regulatory rules and jurisdiction of the Public Service Commission of Wisconsin, or other regulatory agency provided by law, provided that this shall not affect the status of the Cooperative in the balance of its service area nor require approval of its securities issued to the United States of America or to any financing institution organized by rural electric cooperatives or approved by the administrator of the Rural Utilities Service or any other official or agency that succeeds to its responsibilities.

**Article III**  
**Meetings of Members**

Section 1. Annual Meeting. The annual meeting of the members shall be held not later than October in each year on a Saturday at such time and place within the County of Rusk, State of Wisconsin, as shall be selected by the Board of Directors, which date, time and place shall be specified in the notice of the annual meeting. If the election of directors shall not be held at any such annual meeting or at any adjournment thereof, the board of directors shall cause the election to be held at a special meeting of the members as soon thereafter as conveniently may

be. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

Section 2. Meeting Rules and Member Resolutions. Not less than 45 days before the annual meeting, the board of directors shall appoint a Rules & Resolutions Committee to adopt rules and procedures for conducting the annual meeting and to review resolutions to be presented to the annual meeting. The Committee shall consist of not less than 5 members, which shall not include any continuing director or candidate for director. Any member wishing to present a resolution to the annual meeting shall submit the proposed resolution to the Cooperative so that it is received at least 60 days prior to the annual meeting, to permit the Committee to consider the resolution, to determine whether additional information should be presented to the membership to ensure a full airing of the issue and an informed decision, and to make a recommendation to the membership concerning disposition of the resolution. The members shall be notified of the deadline for submitting member resolutions through the Wisconsin Energy Cooperative News, another newsletter of the Cooperative or other means similarly effective in notifying the membership at least 90 days before the meeting.

Section 3. Special Meetings. Special meetings of the members may be called by the President or by a two-thirds (2/3) vote of the Board of Directors or upon a written request signed by at least twenty percent (20%) of all the members and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings may be held at any place within the area served by the Cooperative as designated by the board and shall be specified in the notice of the special meeting. Any meeting of the members called for the purpose of considering a proposed sale, lease or other disposition of all or any substantial portion of the Cooperative's property, or for the purpose of altering, amending, or repealing any provision of these Bylaws relating to the sale, lease, or other disposition of all or any substantial portion of the Cooperative's property, shall be held not less than sixty (60) days nor more than ninety (90) days after the President or Board determines to call the meeting. The determination of whether or not the property concerned constitutes a "substantial portion" of the Cooperative's property shall be made by the Board of Directors.

Section 4. Notice of Members' Meetings. Written or printed notice stating the place, day and hour, and in the case of a special member meeting the purposes for which the meeting is called, shall be delivered not less than seven (7) days nor more than thirty (30) days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon default in duty by the Secretary, by the persons calling the meeting, to each member. If mailed, the notice is given when it is deposited or a newsletter or other publication of the Cooperative or of an affiliated organization which includes the notice, is deposited, in the United State mail, with postage prepaid thereon, addressed to such person at the address as it appears on the records of the Cooperative. In case

of joint memberships, or memberships as tenants in common, notice given to either joint tenant member or either tenant in common member shall be deemed notice to both members. The failure of any member to receive notice of an annual or special meeting of the member shall not invalidate any action which may be taken by the members at such meeting.

Section 5. Quorum. The number of members to constitute a quorum at a meeting of members shall be fifty (50). In case of a joint membership or a membership held by tenants in common, the presence at a meeting by either joint member or by one of the tenants in common, shall be regarded as the presence of one member. If less than a quorum is present at any meeting, a majority of those present may adjourn the meeting, provided a new notice is mailed to each member specifying the time and place of the adjourned meeting.

Section 6. Voting. Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members, except that voting rights may be temporarily suspended as provided in Article I, Section 8(a). At all meetings of the members at which a quorum is present, all questions shall be decided by a vote of a majority of the members voting thereon at such meeting except as otherwise provided by law, the articles of incorporation of the Cooperative or these Bylaws. Two or more persons holding a joint or tenancy in common membership shall jointly be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. Any member which is a cooperative, corporation, government body, church or voluntary association may, acting through its governing body, designate in writing, its representative to act for it at membership meetings. Such written designation shall be filed with the Secretary before such representative votes at any such meeting, except that the chairman of any such corporation, association, board or body politic may cast its vote at such meeting if no such written designation for any other representative is so filed. Such representative or officer may also vote as an individual if he is a member. A guardian of any member may vote on behalf of such member.

Section 7. Voting by Absentee Signed Ballot. Any member who is unable to attend a meeting of the members may vote on any motion to be considered at the meeting only as follows:

- (a) If the Cooperative provides ballots for the vote on the motion to the members together with notice of the meeting at which the vote will be taken and exact copies of the motion and any resolution to which it pertains, an absent member may vote on the motion by submitting a signed ballot. If a signed ballot has been submitted on a motion under this paragraph, neither the motion nor any resolution to which it pertains may be amended.
- (b) If the Cooperative does not provide ballots, and an exact copy of the motion or resolution to which it pertains to the members along with the notice of meeting, but makes available ballots for the vote along with exact copies of the motion or resolution to which it pertains, then

a member may request a ballot and exact copy of the motion and may vote by submitting a signed ballot. However, the motion and any resolution to which it pertains may be amended at the meeting and, if the motion or resolution is amended, the ballot is void. The ballot may not be counted on any motion to amend or adopt as amended the motion or resolution.

- (c) A sealed envelope bearing the signature of the member and enclosing a marked but unsigned ballot shall constitute a signed absentee ballot for purposes of this section.
- (d) Absentee ballots shall be mailed or delivered to the Cooperative office so as to be received at the office on or before the day before the membership meeting.
- (e) In the event a member voting by absentee ballot attends such meeting in person, the member's absentee ballot shall be discarded in favor of the vote cast in person at the meeting.
- (f) Ballots for use in voting for directors shall be provided members along with the notice of meeting. Members may vote by absentee ballot in accordance with the provisions in this section. Such ballots shall be counted even though, if permitted by these bylaws, additional nominations may be made from the floor.

Section 8. Order of Business. The order of business at the annual meeting of the members, and so far as possible, at all other meetings of the members, shall be essentially as set forth in the notice of the meeting and shall include the following:

- a. Report on registration and declaration of whether a quorum is present.
- b. Reading of the notice of the meetings and proof of the due publication or mailing thereof, or the waiver of notice of the meeting, as the case may be.
- c. Taking action on unapproved minutes of previous meetings of members that have been distributed to the members.
- d. Presentation and consideration of, and if called for acting upon, reports of officers, directors, and committees.
- e. Election of directors.
- f. Unfinished business.
- g. New business.
- h. Adjournments.

The order of business may be changed by a two-thirds (2/3) vote of the members in attendance and voting at any such meeting. Unless the members by a two-thirds (2/3) vote of those in attendance and voting determine otherwise, the latest edition of Roberts Rules of Order shall govern all other procedural questions not covered by the meeting rules and procedures adopted by the Rules & Resolution Committee.

## **Article IV Directors**

Section 1. General Powers. All powers of the Cooperative shall be exercised by or under authority of, and the business and affairs of the Cooperative shall be managed under the direction of, the board of directors, except as otherwise provided by law, the articles of incorporation, or these bylaws. There shall be nine (9) directors.

Powers of the board of directions (without limitation because of designation) shall include the determination and fixing of classifications of business, rates to be charged by the Cooperative for services furnished, the promulgation and enforcement of rules and regulations governing service to patrons, and the selection or nomination of directors, delegates or other representatives of the Cooperative at meetings of organizations of which the Cooperative may be a member, including the power to remove such director, delegate or representative.

Section 2. Director Districts. The territory served by the Cooperative shall be divided into a number of districts equal to the number of directors. Each district to the extent practicable shall be composed of contiguous government survey townships and shall contain approximately the same number of members as each other district. The lines of such district shall initially be established and may from time to time be changed by the board of directors but shall be subject to revision by the members at any membership meeting. Each district shall be represented by one director who must be a resident of such district. Directors shall be nominated and elected for the terms and in the manner provided in Section 3, 4 and 5 following.

### Section 3. Tenure and Qualifications.

- (a) Directors shall be elected by the members at the annual meeting for three year terms on a staggered basis so that no more than three of such terms shall expire at each annual meeting. Directors shall serve no more than five consecutive full three-year terms. Partial terms do not count against the term limit. When a director reaches the term limit, she/he cannot return to the Board of Directors until one full three-year term has passed. A full term shall be measured from the annual meeting at which the director is elected to the third annual meeting that follows, regardless of the dates the respective meetings are held. Accordingly, a partial term is not created because the annual meeting in the year the term expires is held earlier in the year than the annual meeting at which the director was previously elected.
- (b) Qualifications: No member shall be eligible to become or remain a director or hold any position of trust in the Cooperative, who
  - (1) is not a bona fide resident of the district on premises served by the Cooperative; or

- (2) is in any way employed by or financially interested in a competing enterprise, or a business selling electric energy, supplies or services to the Cooperative, provided that nothing in this section contained shall preclude any member from serving as a director or from holding any position of trust in the Cooperative because such member is also a member or director of any other cooperative from which this Cooperative purchases or may purchase electric energy, supplies, or services; or
- (3) is a close relative of a full time employee as defined in Section 7 of this Article; or
- (4) has been employed by the Cooperative or an entity controlled by the Cooperative at anytime in the three years preceding election or appointment as a director; or
- (5) while a director or at anytime preceding election or appointment as a director was convicted of any felony or of any other offense involving a breach of trust; or
- (6) while a director or during the five years preceding election or appointment as a director has pursued any litigation or claim against the Cooperative or any of its employees or directors; or
- (7) while a director or at anytime preceding election or appointment as a director has been subject to Section 12. Removal of Board Member by Members, and has been removed by vote of the membership, or petition validation was completed and has resigned before the petition was voted on by the membership; or
- (8) while a director or during the 18 months preceding election or appointment as a director, has been notified by the Cooperative (i) that he or she is delinquent in whole or in part on his or her power bill or on any obligation to the Cooperative and (ii) that he or she is subject to disconnection of service for non-payment or for any other cause.
- (9) When a membership is held jointly or by tenants in common, one of the joint tenants or one of the tenants in common, but not more than one, may be elected a director, provided, however, that such person shall not be eligible to become or remain a director or hold a position of trust in the Cooperative unless both joint tenants or all tenants in common shall meet the qualifications hereinabove set forth. When a membership is held by a partnership, one, but not more than one, of the partners designated in writing by the partnership may be elected a director; provided, however, that none of the partners shall be eligible to become or remain a director or hold a position of trust in the Cooperative unless the candidate shall meet the qualifications set forth in (b) (1) - (8), above, and unless all partners shall meet the qualifications set forth in (b) (2) - (8), above. When a membership is held by a corporation, one, but not more than one, of the officers thereof designated in writing by the corporation may be elected a director

provided, however, that none of the officers shall be eligible to become or remain a director or hold a position of trust in the Cooperative unless the candidate shall meet the qualifications set forth in (b) (1) - (8), above, and unless all of the officers shall meet the qualifications set forth in (b) (2) - (8), above.

(c) Disqualification.

- (1) At a meeting of the membership, other than at a district meeting, upon establishment of the fact that a nominee for director lacks eligibility under this section it shall be the duty of the chairperson presiding at the meeting at which such nominee would otherwise be voted upon to disqualify such nominee.
- (2) Except as provided in subs. (1), above, upon the establishment of the fact that any person being considered for, or already holding a position of director, may lack eligibility to become or remain a director, it shall be the duty of the directors, upon reasonable notice to the person whose eligibility is in question, to hold a hearing on such matters.

The directors shall find and determine whether such person is ineligible to become a director, of if already a director, is ineligible to remain a director under the qualifications provided in these bylaws. In making such determination, if the person whose eligibility is being considered is a director, that person may not vote. If the remaining directors determine by a majority vote that the person, if a candidate, is ineligible to become a director, then such person's name shall be withdrawn as a candidate for director. If the person is already a director, then that person shall be ineligible to remain a director, and his or her office as a director shall forthwith become vacant. The remaining directors shall appoint a successor until the next membership meeting.

Nothing herein shall be deemed to prohibit the board from extending loans to members for proper purposes in the interest of the Cooperative.

## **Article VIII Non-Profit Operations**

Section 1. Interest or Dividends on Capital Prohibited. The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2. Patronage Capital in Connection With Furnishing Electric Energy. In the furnishing of electric energy, the Cooperative's operations shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis, the Cooperative is obligated to account on a patronage basis to all its patrons within a particular business classification for all amounts received and receivable from the furnishing of electric energy to patrons within such classification in excess of operating costs and expenses properly chargeable against the furnishing of electric energy to patrons within such classification. Subject to the provisions hereof relating to adjustments between and among classes of business, all such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by patrons as capital. Subject to the provisions hereof relating to adjustments between and among classes of business, the Cooperative is obligated to pay as credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to his class of business and to his account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital.

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be apportioned among the various classes of business on a total patronage basis and shall be (a) used to offset any losses incurred during the current or any prior fiscal year, and (b) to the

extent not needed for that purpose, allocated to its patrons within such business classifications on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided.

Section 3. Unallocated Reserves. Notwithstanding anything to the contrary in this Article, the Board of Directors, in its discretion, may in any year credit to unallocated surplus or reserves of the Cooperative a portion of the net proceeds not exceeding the amount of margins from any subsidiaries of the Cooperative and other non-operating margins, but not including patronage capital from the Cooperative's wholesale power supplier or cooperative lenders.

Section 4. Classification of Business. With respect to the furnishing of electric energy, and the allocation of capital credits in connection therewith, the board may classify the business done by the Cooperative with all of its patrons into classes of business and patronage. Such classifications shall be based on factors relating to the cost of rendering service and the rates lawfully chargeable in connection therewith in accordance with reasonable accounting, engineering and utility standards and practice. The board may apply to such classes of business formulas designed to equitably determine for each class so established any amounts paid by patrons within such class in excess of the costs of service for such class. In developing such formulas, and in determining the respective amounts of capital so furnished by all patrons within such classes, the board shall give regard to the level of capital contributed by each such class of business during the current or any prior fiscal year so as to equitably adjust the aggregate capital accounts between and among classes of business. If the receipts from every class of business in any year exceed the costs and expenses allocable and chargeable thereto, then the excess of receipts over expenses for each class of business shall be allocable to each such class as capital credits and to patrons within each such class on a dollar patronage basis. If, however, the costs and expenses chargeable or allocable against any one or more classes of business exceed the receipts from all patrons within such class or classes of business, then such deficit shall be charged against patronage margins otherwise assignable to any remaining class or classes of business, on a dollar volume patronage basis, so that in no year shall there be credited to patrons as patronage capital an amount greater than the excess of receipts from all patrons over the costs and expenses of doing business with all patrons. All patronage margins contributed by patrons within a given class of business shall be assigned to such patrons on a dollar volume basis of patronage, but no patronage capital shall be deemed to have been contributed by, or shall be allocated to, any patron within any class of business, if the receipts from all patrons within such class do not exceed the costs and expenses chargeable or allocable to such class. In the event patronage from any patrons falls into two or more classes of business, capital credits assigned to such patron shall be the net amount of the capital credits determined after debiting and crediting from all such classes of business.

Section 5. Retirement of Patronage Capital. If, at any time prior to dissolution or liquidation, the board of directors shall determine that the financial conditions of the Cooperative shall be not be impaired thereby the capital then credited to patrons' accounts may be retired in full or in part. The board of directors shall determine under rules of general application the method, basis, priority and order of retirement, if any, for all amounts heretofore and hereafter furnished as capital.

Section 6. Assignment of Patronage Capital. Except as provided in Sections 9 and 10 hereof, capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Section 7. Prior Retirement To Estates of Deceased Patrons. Notwithstanding any other provision of these Bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any patron, who was a natural person, if the legal representatives of his estate shall request in writing that the capital credits to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credits to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby. The Board is authorized, but not required to provide for prior retirements to surviving joint tenancy patrons and to heirs of deceased patrons on the same basis as retirements hereunder may be made to estates of deceased patrons.

Section 8. Security Interest in Patronage Capital. The Cooperative shall have a continuing security interest in the patronage capital allocated and credited to any patron for any indebtedness due and owing from such patron to the Cooperative. The patron shall execute such documents as the Cooperative may request to create and perfect this security interest. The rights of the Cooperative under the security interest hereby granted may be exercised in the event of the default in payment by the patron of the patron's obligations, or in the event of the bankruptcy of the patron, and such indebtedness of the patron shall be subtracted from the capital allocated and credited to the patron in any retirement thereof made hereunder to said patron or to his estate, heirs, or surviving joint member.

Section 9. Assignment To Federated Youth Foundation, Inc. Any patron may assign all or any portion of the patronage capital now or hereafter expected to be credited to him pursuant to this Article VIII to Federated Youth Foundation, Inc., a charitable tax exempt trust, effective as of the date of assignment subject to the Cooperative's prior lien for unpaid charges under Section 8 of this article.

Section 10. Forfeiture of Unclaimed Funds.

- (a) The Cooperative shall effect the forfeiture of all unclaimed funds, including all forms of distributions or capital credits, membership fees, deposits, and dividends, and shall do the following in connection therewith:
- (1) No earlier than three years and no later than five years after the funds are first made available to the owners, the board of directors shall declare the funds forfeited to the Cooperative unless claimed by a specified date.
  - (2) After the declaration of forfeiture, the Cooperative shall give notice that states that the funds shall be forfeited if not claimed by the specified date, which date shall be a business day at least 60 days after the mailing of the notice.
  - (3) The notice under paragraph (2) shall be mailed to the last known address of each owner and shall be published on or before the date of mailing in a newspaper published in the municipality containing the service area of the Cooperative.
  - (4) The Cooperative shall dedicate any funds remaining unclaimed after the date specified in paragraph (2) to educational purposes, limited to providing scholarships or loans to students, or to charitable purposes, as the board of directors determines, within one year after the date the funds are declared forfeited under paragraph (1). Educational purposes shall not include political purposes as defined in Section 11.01(16), Wisconsin Statutes.
- (b) At any time subsequent to a forfeiture under this bylaw, the owner of forfeited funds may submit a claim to the board of directors and if the board determines that the person owned the funds at the time of the forfeiture, it shall refund the funds to the person.
- (c) The board of directors may establish a reasonable reserve for payment of claims, which reserve shall be credited to patrons in accordance with the ratio which their patronage bears to total patronage. This reserve shall be reimbursed for claims charged thereto, out of funds subsequently declared forfeited.

Section 11. Subscriptions to *Wisconsin Energy Cooperative News*. The Cooperative, through action of its board of directors, is authorized in the name and on behalf of each member of the Cooperative to subscribe for the *Wisconsin Energy Cooperative News*. The expense of such subscription for all members shall be such amount per month as shall be from time to time determined by the board, and shall be charged to the aggregate of capital deposited by members under Section 2 of this Article for electric service in the same manner as are charged other appropriate expenses of the Cooperative.

Section 12. Contractual Obligations. The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between

the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as through each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

**Article IX**  
**Waiver of Notice and Action Without Meeting**

Section 1. Waiver of Notice. Any member or director may waive, in writing, any notice of meetings required to be given by these Bylaws. Any action which may be taken at a meeting may be taken without a meeting if a writing setting forth and approving the action taken shall be signed by all of the Cooperative members, directors or executive committee members entitled to vote on such action.
